Dear Sir/Madam,

Site Address: Land East of Westergate Westergate
Description of works: Hybrid application consisting of: 1) Outline permission for all matters reserved (except access) for up to 400 No dwellings and associated works and 2) Full planning permission for alterations to site access off Westergate Street and through Pine Close and east-west link road including a bridge over the Lidsey Rife. This application also lies within the parish of Barnham, falls within Strategic Site SD5, CIL Zone 1 (Zero Rated), affects the setting of listed buildings, affects the character and appearance of the Eastergate Church Lane Conservation Area, affects public rights of way. This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 16th March 2024 which has been recorded as an objection with the comments as follows:

OWPC65509

We don't need 400 more houses built in this area. The environment is under extreme pressure as are the existing services. There are already many unsold new builds locally, so why build more? If there is a perceived need for more housing, look at the empty houses & holiday homes instead of concreting over the flood plain.

Your views as made above will be considered before the application is determined.
