Dear Mr Easton

We write as a very large number of residents have contacted us to say they have insufficient time to respond to the above complex planning application in circumstances where the yellow notices advising of the same were only posted on 1st March 2024.

In the light of this, we request an extension for the period of time to respond to the application.

We would also request that Arun advises all consultees if they have not already done so that this proposed development is part of BEWSA and is located in close proximity to BN/195/22/PL (551 dwellings) and BN/11/22/OUT (1,250 dwellings), making up to 2,201 new dwellings on all three Developments, which would be under construction simultaneously.

I look forward to hearing from you.

Regards

Marie Singleton (Certificate in Local Council Administration – CiLCA)
