I object to this planning application.
I could mention numerous reasons why this application shouldn't be approved.
Unfortunately along with other applications this will not be refused by ADC. The developers will appeal and it will be approved. Our local MP is unhelpful and points the blame back to ADC.

I dread to think what effect this will have on this area whilst under construction and thereafter.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.
