Against this planning application for so many reasons

1. Protection of wildlife - another green space to be taken with no thought to wildlife- I walk this area frequently, various birds , egrets in rife , so many insects , bees, butterflies and evidence of rabbits, and all the other wildlife that is unseen. Where will they go with so much land being swallowed by concrete .
2. Sewage- already huge problem in area - raw sewage spews into this field ! Local sewage works unable to cope so sewage released into fields/sea- not acceptable and building here will make that worse.
3. Road- vehicle access not suitable and the rising amount of car /vehicle access to site not acceptable - not only owners cars but access for service vehicles, couriers, post etc .
4. No also as shortage of services -school places , doctors, dentists.
4. Disruptions- so many roads in direct area are in poor state, flooding, pot holes- constant traffic control and road closures. A nightmare for local businesses and locals alike.
5. Quality of life - pollution & noise .
6. Just too many houses in a concentrated area.

Let's hope someone in authority will listen to the local people and their very real concerns .

Your views as made above will be considered before the application is determined.
