Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/11/24/OUT
Site Address: Land East of Westergate Westergate
Description of works: Hybrid application consisting of: 1) Outline permission for all matters reserved (except access) for up to 400 No dwellings and associated works and 2) Full planning permission for alterations to site access off Westergate Street and through Pine Close and east-west link road including a bridge over the Lidsey Rife. This application also lies within the parish of Barnham, falls within Strategic Site SD5, CIL Zone 1 (Zero Rated), affects the setting of listed buildings, affects the character and appearance of the Eastergate Church Lane Conservation Area, affects public rights of way. This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 26th March 2024 which has been recorded as an objection with the comments as follows:

OWPC65762

my objections to this proposal are-

- 1 - The current road infrastructure is inadequate and unable to cope with demand as it is, with 400 extra houses on top of those already in production/planning given will have a detrimental affect on those living in the local area with further delays to journeys, increased pollution and a lower standard of living.
- 2- Primary and secondary schools are at capacity to increase this capacity would mean losing valuable playing field space that is vital in the development of our children.
- 3- emergency services are already working above capacity in the area. Response times for all services are at an all time high building further housing will stretch resources further putting the lives of those living in this area at risk.
- 4- sewage is often seen coming from drains that are unable to cope with the amount needed. This will only increase with more housing and less area for drainage of rainwater increasing the risk of flooding in an area that has seen major roads closed many times over this winter.

Your views as made above will be considered before the application is determined.
