Thank you for your internet representation made on 29th March 2024 which has been recorded as an objection with the comments as follows:

OWPC65997

Given how much the area floods at the moment is it wise to put more housing (that isn't needed- yet!) plus the roads already have potholes due to the extra floods and more cars can the council even cope with what damage the extra work will create?? I do t have much faith unfortunately and all development should cease until proper flood defences are created and infrastructure improved.

Your views as made above will be considered before the application is determined.
