This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 31st March 2024 which has been recorded as an objection with the comments as follows:

OWPC66056

We purchased a property which backs immediately onto the land being considered for development. The tranquility and peace of the area was one of the main factors that made us choose this property and I do not want this taken from us.

I am also very concerned about parking as there is a footpath from St Richards Road onto the new development. Visitors are very likely to use our spaces for parking, with capacity already very limited for residents of our road.

The impact on local infrastructure is also very concerning, with GP appointments difficult to obtain, no NHS dental capacity for miles and issues around flooding and sewage.

We are already feeling the negative impacts of recent new housing in the area and these problems will only be further exacerbated by this application. I urge the council to please consider the points above and the negative impact on us as local residents. Please don't allow this valuable green space to be taken away from us.

Kind regards,

Sam Tetley, St Richards Road
