Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/11/24/OUT
Site Address: Land East of Westergate Westergate
Description of works: Hybrid application consisting of: 1) Outline permission for all matters reserved (except access) for up to 400 No dwellings and associated works and 2) Full planning permission for alterations to site access off Westergate Street and through Pine Close and east-west link road including a bridge over the Lidsey Rife. This application also lies within the parish of Barnham, falls within Strategic Site SD5, CIL Zone 1 (Zero Rated), affects the setting of listed buildings, affects the character and appearance of the Eastergate Church Lane Conservation Area, affects public rights of way. This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 31st March 2024 which has been recorded as an objection with the comments as follows:

OWPC66058

I would like to oppose to this application because:

1. Existing infrastructure is not suitable as it's already not coping. Sewers, roads, schools, NHS and doctors surgeries.
2. Access to proposed site for residents will cause more congestion. 400 houses, that would be around 1000 cars coming in and out.
3. Flooding is a big issue in the area. In the last few years there has been very large numbers of road closures due to flooding. Building so many houses will only make matters worst.
4. Devastation to local wildlife. Bats badgers, deer and foxes to name the few that exist on planned site.

Please do stop these developments!

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website.
