Dear Sir/Madam,

This application also lies within the parish of Barnham, falls within Strategic Site SD5, CIL Zone 1 (Zero Rated), affects the setting of listed buildings, affects the character and appearance of the Eastergate Church Lane Conservation Area, affects public rights of way. This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 31st March 2024 which has been recorded as an objection with the comments as follows:

OWPC66060

The area is a haven for wildlife. I personally have seen Yellohammers, slowworms, bees and butterflies. In addition a beautiful chalk stream runs through the area. Not only is it a haven for wildlife but it is one of the few green spaces in and around Eastergate that is accessible on foot. We already have a huge traffic problem in the area and regular flooding. The 6 villages used to be just that, now we are being turned into a huge town (minus the required facilities) just to line the developers pockets. No more please!

Your views as made above will be considered before the application is determined.
