I object to these houses coming through pur private estate.How can over 800 cars come out on to a very busy road on a dangerous blind bend.
We are a small family oribtated private estate, with a risk of a fatal accident happening with the amount of cars coming through the estate.
The road to the cala estate is not wide enough for traffic to get through, the fields behind are all part of our green space we have no more schools or doctors surgeries which are bursting at the seams to get an appointmebt at the doctors here is over 6weeks ahead

May i also ask as i am in the private estate who is going to pay for the upkeep of the estate if this does get passed
