Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: AL/11/24/OUT
Site Address: Land East of Westergate Westergate
Description of works: Hybrid application consisting of: 1) Outline permission for all matters reserved (except access) for up to 400 No dwellings and associated works and 2) Full planning permission for alterations to site access off Westergate Street and through Pine Close and east-west link road including a bridge over the Lidsey Rife. This application also lies within the parish of Barnham, falls within Strategic Site SD5, CIL Zone 1 (Zero Rated), affects the setting of listed buildings, affects the character and appearance of the Eastergate Church Lane Conservation Area, affects public rights of way. This application is the subject of an Environmental Statement.

Thank you for your internet representation made on 31st March 2024 which has been recorded as an objection with the comments as follows:

OWPC66079

This application should be rejected on the grounds of overdevelopment.

The local area has already been subjected to extensive housing development which has eroded the rural nature of the area. The proposed development will further affect the amenity of the area.

As we have seen this winter, the drainage and sewage systems are already overloaded, and adding 400 houses will make this worse.

WSCC objected to a nearby development on the grounds that the local schools do not have the capacity to absorb further pupils, and this objection applies equally to this proposal.

The A29 is already congested at peak times.

The proposal does not propose any enhancement to local infrastructure and should be rejected on this ground alone.

Your views as made above will be considered before the application is determined.
