Thank you for your internet representation made on 31st March 2024 which has been recorded as an objection with the comments as follows:

OWPC66081

This application is completely unviable as a matter of fact in terms of very negative impacts for the community, biodiversity and infrastructure.

There are plans to protect this area of biodiversity (EH2, EH4, EH5, EH6). If this application is approved there will be irreversible harm to rich biodiversity. The Lidsey sewage treatment plant is already beyond capacity. Southern Water recently advised against any development in this catchment area being overburdened by periods of rainfall. The nearby roads will not cope with vehicle access to the site. The community will come under very much increased pressure due to an increased lack of school places, an increase to the already acute shortage of NHS dental practice, a real squeeze on places at local gp practices/increased waiting appointment times. Finally an absence of any investments and lack of local employment opportunities are also important negative factors. Surely all these factors mean that to proceed with this application would be irreversibly detrimental to all aspects of our community and beyond. Please do not turn a blind eye to individual comments. They are valid and need to be heard and REALLY considered.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
