c.c. Cllr.Trevor Bence. Cllr.Paul Ayling. Andrew Griffiths MP

I have lived in Westergate, PO20 3RB for nearly 45 years. I am aged 91yrs. and clearly well in control of all of my faculties. In these years I have witnessed the steady ongoing destruction of my way of life. My surroundings are slowly but surely being buried under CONCRETE by NEW BUILD houses constructed by 'JOBBERs' with no control over the immense problems found after innocent tenants have purchased such rubbish constructions and moved into!!! I I As a Ratepayer and Resident in Westergate for many years - I

STONGLY OBJECT to any further use of the surrounding land N.B.(That which is barely left now) - to being put under further construction of roads, houses and concrete. We have had to tolerate the stench of sewage and serious SAFETY HAZARD in Barnham because of the inability of drainage due to the consequences of houses being BUILT ON FLOOD PLAINS all around this area and the added drainage needed. The roads cannot take any further traffic and moving around in this area is a daily nightmare. Medical facilities are not here or have ever been provided for the intended residents. No Schools have been provided for any further off-spring for such a development. PLEASE REGISTER MY OBJECTION. AL/11/24OUT.
