Dear Sirs

I am writing to make my objection to the above planning application, this housing madness needs to stop, the area does not have the infrastructure to support the current housing let alone copious amounts more, the roads are inadequate, more third world, the schools are over subscribed with no room to expand, the drainage and sewage network is in dire straights being totally inadequate. Doctors do not have the capacity and as for finding a dentist!!!!no NHS locally. Every where we look now we have fields/trees/wildlife all being destroyed by never ending concrete. It's not even affordable housing in most cases, just badly built, small with inadequate parking

Concerned resident of Barnham
