Dear Sir,

I wish to object strongly to the application for 400 houses to be built in the fields to the west of Westergate.

1. The absolute chaos this winter, & the frequent flooding, the closing of the road to Bognor proves that adding more houses will add more disruption to the area.
2. Consequently the sewage works are not coping
3. The vehicle access through Pine Close from the A29 is completely impractical, it is too restricted, & too near the houses already there.
It is frankly a dangerous idea, considering the growing number of children in the area.
4. The fields are a vital part of the area

for recreation, walking, dog walking,
it's the only green space close by, & is
constantly used.

We all need green space nearby. To
enjoy the countryside, which in this
day & age is vital for our wellbeing
