Dear sir or madam,

I would like to raise objections to the planned housing development above due to already poor infrastructure. The roads in the village are flooded frequently and the sewage on the planned site is killing off the local wildlife, some of which I believe is protected. The schools are over subscribed and the doctors surgeries are almost impossible to access without an unacceptable waiting period. Sheer weight of traffic makes travel very difficult. I cannot see how a further 400 + houses will not negatively impact the problems even further.

Thank you for your time.

Mrs Daphne Edwards
