Dear Sirs,

I strongly object for the following reasons.

There are no schools places, primary or senior.
The only GP practice in the area has a staggering two month waiting list for an doctors appointment.
The closest dentist that is taking NHS patients is Portsmouth, 25 miles away, round trip 50 miles.
Thr roads are dangerous and are in dis-repair.
The A29 floods badly and again is very dangerous.

If you develop on these fields we will have no outdoor space to walk.
There is raw sewage everywhere, due to the antiquated system unable to cope.
The water pressure is gradually declining as it cannot cope.

Finally, why do we need any further new housing? Half of the new builds are sitting empty, unsold for months and months, hundreds reduced in price. Please check online estate agent platforms.

Regards
Lucy and Simon French
