Hi Ian,

Wondering if you had a chance to review my email below? If you could resend the links to the updated plans I can get these downloaded by our IT department.

I am on leave, but if you need to catch up on anything I will be back on Thursday 16th.

Kind Regards,

Hi Ian,

Thanks for your time earlier today – its appreciated.

With regards to the LVIA update in response to the SDNP comments and the EA modelling data, our IT department are having difficulty opening the files – one says a code is needed, and the other just says that we are not allowed access. I wonder whether you can share these links again in a different format?

Thank you,
