Thank you for your internet representation made on 9th June 2024 which has been recorded as an objection with the comments as follows:

Mr. Easton, I refer to your letter dated 29 May 2024, to Ian Johnson of Luken Beck, Cala Homes agent, that you are willing to grant them an Extension of Time until 12 July 2024, in order to attempt to remove the deficiencies in their Application. I ask whether, within this additional time, you are limiting their time to present additional information such that statutory consultees and the general public have time to make comment on the additional information before the proposed meeting of the Planning Committee?

It is my opinion that Cala Homes and the Southern Consortium (BN/11/22/OUT) are likely to be working together to get one or other Application approved such that the other cannot be Refused, even though there are significant shortfalls on the supply of infrastructure on both.

If I remember correctly, the original 'Decision By' date was 03 June 2024. As you have identified that the Application was submitted with significant shortfalls, why has your Case Officer not Rejected the Application without the need to take this Application to the Planning Committee for Decision?

Why should the Applicant be given another chance?

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
