Dear Miss Garner

Further to my email to you earlier today the address in the title should have been 28 Meadow Way and not 24. Apologies for any confusion.

Kind regards

For the attention of Miss K Garner

Dear Miss Garner

Further to your letter of 19 December regarding the above please find enclosed Flood Risk Assessment as requested. With regard to the Lidsey Drainage Embargo you will see that the plans do not alter the Foul Drainage in any way but nevertheless can confirm that foul water is connected to the mains drainage.

I trust that this will now enable you to validate this application. I look forward to hearing from you in due course.

Kind regards
