Further to our telephone conversation on Tues 1st Feb we would confirm withdrawal of planning application AL/124/10 whereby we will amend the proposed dwelling to be single storey.

BR/341/10

As agreed we wish to receive the Environment Agencies response to consultation prior to addressing the affordable housing element of the planning application as this may have ramifications on the outcome.

Regards
Anthony

AL/124/10

Due to replacement being of a substantially larger footprint and height than exiting dwelling, I am minded to refuse this one in its current form. Will your client be wanting to proceed as it is or withdraw and resubmit?

BR/341/10

Have you received any instructions on affordable housing contribution?

Regards

Juan
