Ms Keith,

Thank you for the updated plan.

Unfortunately, the drainage statement is needed for this application because the application is for an extension.

The application form section about foul and surface water drainage has not been completed. Additionally, because the site is within the Lidsey Drainage Embargo, which information concerning the Embargo can be found on our website, we do need to know how foul and surface water are being dealt with.

If you have any questions, please let me know.

Thank you,
Mrs Johnson

Good Morning,

Please see attached the revised drawing with regard to the below email.

With regard to the request for a water drainage statement please can you confirm why this is necessary. As you will be aware from the planning statement this is a resubmission of an application previously made in 2006 and subsequently renewed a number of times since then, where this information has not been requested.

Kind Regards,

Jenny Keith
