Thank you for your internet representation made on 13th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41865

I write to object to this planning application in that I believe the application form has been incorrectly completed. Question 8 on the form, dealing with 'Rights of Way' has been marked 'No'. I believe all parts of this question should have been marked 'Yes'.

The Developer intends to use a private road, Oak Tree Lane and a trackway, formerly known as Reeds Lane. Both these sections of road are subject to 'Rights of Way'. The made up road of Oak Tree Lane is maintained by the current residents. No approach has been made to them regarding this development, or previous proposed developments on the garden area of Ryefields Farmhouse. The Developer has made no effort to contact the management company of the estate, Hadleigh Gardens Management Co. Ltd. to discuss access or contributions towards the upkeep of the road during construction or in the future by residents.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
