Dear Nicola,

I refer to your letter of the 11th November and now attach two further drawings 1910.03 and 1910.04 that should resolve any confusion you have over what is proposed.

The address was generated by the Planning Portal so I have no idea why it omitted the property name. For clarity the address is the same as that on all the drawings you have, i.e. **Orchard Cottage, Nyton Road, Westergate, Chichester PO20 3UQ**

The proposed works to be considered in the application are those represented by the drawings and the description in the Planning statement. If you wish to alter the title of the application to reflect that, please do so.

If I can be of further help please contact me.

Kind Regards
