Hi Sue,

There is a Listed Building two houses away to the east called Merryend which the proposal may affect and thus I would like to leave the description as it is. However, please note that our Conservation Officer has assessed the proposal today and finds no harm to this Listed Building or its setting.

Kind Regards

Dear Simon

I was just checking the Forge House description, which I do not think is correct, it states that the application may affect the setting of a listed building. Forge House is not listed, but on the Local List of Buildings or Structures of Character, please could you check this?

Best regards
Susan
