RECOMMENDATION:	Advice
S106 CONTRIBUTION TOTAL:	TBC as part of the A29 Re-Alignment Contribution

Context

This consultation response from the Local Highway Authority (LHA) relates to a highway contribution towards footway/cycleway improvements to the north of the site.

Comments

Having discussed the proposals with internal colleagues we would like to request a contribution of £20,000 towards the footway/cycle way improvements between Barnham and Yapton. This however should not to offset anything as part of the A29 re alignment. As the Local Planning Authority are aware we are still working for strategic allocation contribution for the A29 and will update as soon as we know.
