DISTRICT COUNCIL**

Affordable Housing Policy requirements

In accordance with the Arun Local Plan 2018, the Council aims to ensure that 30% affordable housing is achieved on all new residential developments in the district where 11 dwellings or more are proposed such as on this site. The outline application includes a 30% (29 dwellings) affordable contribution.

Tenure

The Council's Affordable Housing policy requires a tenure split of 67% rented, 25% First Homes and 8% intermediate housing.

Housing Need

There is high demand for affordable housing throughout the Arun District for both rent and low-cost home ownership. As of December 2021, there were 1212 households in housing need on the Council's housing register.

S106 considerations and Affordable Housing Agreement

To meet the requirements of the Council's Affordable Housing policy the applicants will need to provide 29 x affordable dwellings of which 19 x rented, 7 x First Homes and 3 x intermediate. The tenure split should be equally applied across the affordable housing types and sizes.

We propose the following affordable tenure split:

Rented

4 x 1 bed flat

3 x 2 bed flat

6 x 2 bed house

6 x 3 bed house

First Homes/ Intermediate

3 x 1 bed flat

3 x 2 bed flat

1 x 2 bed house

3 x 3 bed house

Summary

The affordable housing should be pepper potted throughout the development, in clusters of no more than 5 dwellings.

The rent on the rented units should be set at a maximum of 90% of Local Housing Allowance levels inclusive of service charge.

All of the necessary affordable housing requirements should be included in S106 planning obligation not secured by planning condition.
