Dear Simon,

Further to your email on the 30th (last attachment for ease) and our discussion last week please now find attached our replies and attachments to the WSCC Highway comments. This was also issued directly to them earlier in the week by Highgate Transportation. I would be grateful for you to formally consult them on this basis. The replies include;

- 2087/TN04 – A Technical Note response to the November consultation
- 2087/TN03 – The requested Design Audit of the Access
- 2087/Dfs/01 and /02 – The Departure from Standards forms associated with the Design Audit

We believe this response should alleviate the concerns raised but will continue to liaise with WSCC and yourselves on this matter.

Kind regards,

015 2EW
