Simon –

Further to our conversation last week. I can confirm that per our discussion it would be sensible for us to agree to extend the statutory time limit to accommodate the next available planning committee date (the 2nd March) with a couple of weeks additional time thereafter to review the resolution and actions arising. In the first instance therefore I can confirm, on behalf of the applicant, our agreement to extend the statutory deadline to the 16th March 2022.

It may be that we need to revisit this closer to the time should there be a need to allow further time to complete a s106 agreement.

I will provide an update on other matters separately later.

Kind regards,

Nigel Jarvis, L MPTPL, L Director
