Simon, thanks for your email which I'll review (currently in a meeting about something else). Saw you mentioned ecology, so not sure you received the attached I thought I sent through Weds/yesterday?

Apologies if this hasn't come through – as discussed it provides additional information/clarification and I am confident resolves your consultee's concerns.

Still pushing hard on highways for a response but as discussed we're stuck merely at technical design post planning....

Kind regards,

Nigel Jarvis MRTPI 
Director
