Subject: RE: NE Advice regarding case AL/129/21/OUT

Dear Natural England,

Thanks for this but it is not what I am expecting. I recently contacted Natural England with a request for them to review our Appropriate Assessment and I am presently awaiting a response to that. This made it clear that I am seeking comments/review of the Assessment due to potential harm to the Bats associated with the Singleton and Cocking Tunnels Special Area of Conservation. Please see attached previous email and separate attachment.

Kind Regards
