Hello Simon,

Nigel is caught up with an Inquiry Case Con today but has requested I confirm an Extension of Time to determine the above planning application until 26/08/22.

If you can release the PP prior to this date that would be most appreciated.

With best regards

David

Dear Nigel,

We can issue the PP this week. Can you agree an EoT until this Friday 26th August. As soon as we have your agreement, Dan can issue so it may well be much sooner that you receive it.

Kind Regards

Simon J Davis MRTPI

Hi Dan,

Thanks.

Note your email. I thought the point of this being time limited was to avoid delay?

Would be grateful to hear asap re: Neil confirmation this can just now be determined please.

Kind regards
Nigel

Mr Jarvis,

I called Cllr Edwards yesterday and left a voicemail. I have not had a response. Neil has been asked how we proceed without.

We do have Planning Committee next Wednesday which Cllr Edwards is due to attend and therefore, if we don't get anything before, we should be able to secure something then.

Mr Jarvis,

We have yet to hear back from the vice chair.

I will attempt to contact him tomorrow.

Good afternoon Dan,

I understand the below (AL/129/21/OUT) is with you in Simon's absence this week. It's not clear from Simon's email below whether the response deadline for the Vice Chair includes today or closed yesterday, but I wondered if you can update me on whether you are in a position to now issue the decision please?

That being the case Simon was keen to agree a further extension of time which I'll be happy to do if you can confirm when the decision can be issued.

Kind regards,

Nigel Jarvis MRTPI 
Director

Dear Nigel,

As stated I have given our chair and vice chair until the 16th to respond. The Chairman has agreed already but we need to give the vice chair the time as expressed to also respond. Once we have his agreement (or if he does not respond by the 16th, then we can get agreement from the Group Head of Planning and then issue the permission – and I will leave instructions with my Team Leader on what needs to be done (inc seeking a new EoT).

Simon.
