Site Address: Land Adjacent to Woodgate Nurseries Lidsey Road Aldingbourne
Description of works: Approval of details reserved by condition imposed under AL/129/21/OUT relating to condition 15 - foul drainage system.

Thank you for your internet representation made on 19th December 2025 which has been recorded as an objection with the comments as follows:

OWPC80400

We have just witnessed serious flooding with the A29 closed and serious damage to property caused by this development we have had southern water on our property who have confirmed to us and neighbours that the sewer is made up of pitched fibre and would have to be lined which would reduce flow rate and therefore result in flooding. You cannot ignore the recent flooding which affected the development site as this has always flooded after heavy rain but not the A29 or surrounding properties the developers have said the flooding is historical us and our neighbours have lived here for more than 30 years and have never seen flooding like recent events please put a stop to this madness.

Your views as made above will be considered before the application is determined.
