Dear Mr Crowther

Thank you for your email of the 26th February. I am sorry for the confusion I work on AppleMac platform and if you are working on PC platform I have to remember to apply .pdf so that your system can read it. I have taken off the scale and included the elevation plans. I have also attached for your reference a copy by pdf format, hopefully your system can read this, but if not I have taken 4 copies of each and posted them through your offices letterbox in Littlehampton.

With the kindest regards
Julie
