Dear Sir / Madam,

we are
writing this letter to oppose
against the planning application
(no AK/130/16OUT) for
a dwelling to be built
adjacent to no 14 St John's
close.

We believe this is not an
appropriate place to build
a social housing bungalow.

We have had access to
the rear of our property
using a motor vehicle for
over forty years, and feel

It is unjust and unfair
to have this access
denied after such a long
period of time.

We hope you will take
these comments into
consideration and refuse
this planning application.

Yours Sincerely

Mr + Mrs. S. Bright
