Dear Simon,

I have attached a more up-to-date set of data for the interest in the holiday let, (or, rather, the lack of it). Could you add these to the file - substituting this for the documents that I originally submitted, please?

Please also find attached a copy of an e-mail that was sent to me by the applicant, in response to my request for up-to-date lettings/enquiries. I would have forwarded the e-mail, but it will only forward along with all of the others in the e-mail chain and there are some financial bits and pieces, (card details), that I am sure that he would want to keep confidential. Hopefully, you will take my word that this is what was sent to me - I will ask him to re-send, if necessary. Also attached is the information he refers to in the e-mail.

I would be pleased if you would add these to the file and take this information into account.

Regards,

Roy
