Dear Mr Davies

The Parish Council has considered the additional information and resolved to object to this application. In the Council's view insufficient effort has been made to properly market the lets and the proposal is contrary to the APC NP EE.1, EE6.1, 6.2 and EE 7.1

Please could you add this comment to the planning portal.

Kind Regards
Joanne Brown

Dear Joanne,

I have received the Parish Council comments in respect of Application AL/130/17/PL stating: "The Parish Council objects to this application as there is insufficient evidence to do otherwise"

I note that the Parish Council met to discuss the application on the 9th January. Since that time, the Council received additional evidence from the applicant which can be viewed on our website (entries dated 12/01/18). Our own Economic Development officers have assessed the evidence and raised no objection.

I also note that the Parish Council did not object in respect of the same application for the property next door (Old Stables – application AL/8/17/PL).

I am therefore writing to ask if the Parish Council could reconsider this application at their next meeting on the 13th of February.

Kind Regards
