Hi Dawn,

Thanks for this. I have put in a request for this to be added to the system.

The consultation responses you refer to are now visible on the public website.

Kind Regards

Simon

Hi Simon,

Apologies if this was missed.

I've attached the statement in sections in this and following emails as it is very large.

Whilst writing, we can see that there are highways and flood risk responses that are still uploading. Are they available for you to send to us?

Regards

Dawn
