Dear Sir/Madam,

**The Town & Country Planning Act 1990 (as amended)**  
**Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6**

Application No: AL/137/24/RES  
Site Address: Land rear of Meadow Way including 24 Meadow Way Westergate  
Description of works: Approval of reserved matters following outline consent AL/178/22/OUT for appearance, landscaping, layout and scale for 89 No. dwellings with open space and associated works (resubmission following AL/50/24/RES). This application is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 22nd January 2025 which has been recorded as an objection with the comments as follows:

OWPC73755

I am writing to formally object to the proposed development in , as it raises significant concerns for the local area and its residents.

Since moving to the area, I have witnessed an overwhelming increase in housing developments, which have strained our local infrastructure to its limits. The continuous battle with traffic congestion, temporary traffic lights, and the unavailability of essential services, such as doctors' appointments, demonstrates that there is simply no capacity to accommodate further development.

This new proposal will exacerbate these issues. Specifically, the development will lead to:

Increased traffic flow, including heavy trucks during construction, causing further disruption on Westergate Street.

Dirt, debris, and noise pollution, negatively impacting residents' quality of life.

Devastation to Meadow Way, a road that lacks the capacity and structure to support an entrance to a housing estate of this scale.

I urge the planning authority to carefully consider these objections, as well as the long-term impact this development will have on the community and its already overburdened infrastructure.

Your views as made above will be considered before the application is determined.
