Application No:(AL/137/24/RES      Mr A T Root    15 Meadow Way PO20 3QT      Copies To Mr Andrew  
Griffiths MP    Chamberlain Martin & Spurgeon    29 January 2025

I cant believe another application has been submitted after previous failures with many of the initial objections exacerbated to a nonsensical degree. The then lack of sufficient infrastructure and services and notably the safety factor exiting from Meadow Way into main road traffic is an accident waiting to happen and now more so. Considering a primary school its ***within yards of the proposed development:*** *This is madness.*

*As I see this as a possible exercise in greed over safety; can one have access to all those individuals instrumental in its success if ,god forbid, this application is passed. Alexander T Root*

*Excuse computer problems*
