Dear Sir/Madam

We are totally aware of the need of additional housing, however we must object to the planning of building a further 89 residential dwellings reference, AL/137/24/RES, at the rear of Meadow Way. The infrastructure is just not there to support this project and therefore will only cause pain for all new and existing residents.

Currently we already have road congestion in the area leading to the Woodgate crossing and flooding in a number of areas. To increase traffic through Meadow Way and out to the A29 will be slow and potentially dangerous.

Recently in the Barnham area it was proven that the sewage system is at full capacity and this is likely to be a problem in this area too if increasing dwellings.

Then there is the services, schools, dentists, doctors, where currently it cannot support existing numbers of dwellings.

Therefore we must object to this application until the above mentioned problems are addressed.

Yours Sincerely

Nigel Strudwick/ Mary McClure

28 Lamorna Gardens

Meadow Way.
