Hi Simon,

Following discussions with your Drainage Engineer, please find attached a comprehensive response to the comments received on the 11th January 2022 in addition to a link to a revised FRA for consideration:

[\[REDACTED\] Feb 2022 Revised FRA](#)

In addition, I note the comment received from your Leisure and Landscape Officer on the 22nd February 2022 and trust that as per our previous correspondence, the information provided is sufficient for the purposed of determining the RM application, with an appropriately worded condition expected to be attached to the RM approval requiring submission and approval of further details in respect of detailed landscaping and play space.

I'd be grateful if you could confirm when you have accessed and downloaded the revised FRA, alternatively if you are unable to access via the link I can send over multiple e-mails.

Kind Regards,

Sarah
