Good morning

We are very concerned about works due to start on the 27th January we have painted orange arrows pointing up our driveway we are aware of the above planning and seen drawings showing 95 homes connected to the sewer on our driveway this must not be allowed to go ahead the sewer on our driveway is for 9 properties and not designed for an extra 95. We have no doubt that if this goes ahead we will be flooded with sewage The current sewer on our driveway is on private land.
