Dear Rob,

The plans were changed on the website and the consultations sent out on Wednesday last week, so it is a bit early to be expecting responses. I will need to review the changes but, assuming all is well, I will be aiming to take the report to our May 8<sup>th</sup> Cttee and I'll be writing the report up 14/15 April.

Kind Regards

Simon

Hi Simon

I hope you are well.

I just thought that I would drop you a quick email following submission of the amended plans and information to see if you have had chance to review and if you are happy with the changes made. I have noted from your website that there haven't been any consultation responses yet.

I am also keen to understand any likely Committee dates, I have noted that the next Committee is on 8<sup>th</sup> May.

I look forward to hearing from you and to discussing this further, but any queries then please let me know.

Thanks

Rob
