Dear Sir/Madam,

Application No: AL/143/24/RES
Site Address: Land adjacent to Woodgate Nurseries Lidsey Road Aldingbourne PO20 3SU
Description of works: Approval of reserved matters following outline consent AL/129/21/OUT for 93 No. residential dwellings with associated parking, landscaping, open space (including play areas), infrastructure and works. This application is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 3rd April 2025 which has been recorded as an objection with the comments as follows:

OWPC75177

New application but still showing 93 houses with further 155 in phase 2 connected to a 150mm sewer which is on PRIVATE LAND our driveway so that's over 200 homes it's plainly clear that we Will have sewage all over our property. These developers will be long gone and we will be left with dealing with the devastating consequences of raw sewage the developers must install there own connection to the main sewer along lidsey road it's obvious to anyone that over 200 houses connected to a 150mm sewer will not work and cause flooding ADC please stop this madness. We still have 3 storey buildings overlooking existing properties move them away where there are no existing properties we have a right to privacy. This is a dark sky area which is why new developments nearby have no street lights there own plans show light pollution over our property. The developers say they have taken account of existing properties complete rubbish where is the evidence of this. ADC these concerns need to be addressed before you give consent.

Your views as made above will be considered before the application is determined.
