**Subject:** AL/143/24/RES updated ecology comments.

Land adjacent to Woodgate Nurseries Lidsey Road Aldingbourne PO20 3SU.

I have reviewed the updated ecology walkover survey.

The assessment has not identified significant changes to the existing habitats and proposes measures to reduce the sites suitability for reptiles.

The previous site surveys identified only two slowworms present and the measures will minimise risk of harm to reptiles.

The updated assessment is acceptable.

I withdraw my objection.

Regards,
