Hi,

Can you add this to the application files as a Statement (additional doc). Please issue a 14-day consultation to ECO.

Thanks.

Simon

Hi Simon

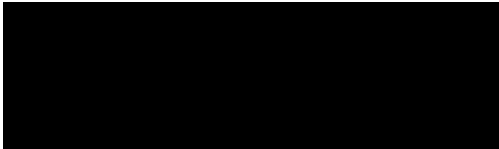

Further to our recent discussions, please see attached report prepared by the applicant's ecologist, following their recent walkover survey for the above site. This confirms that the site characteristics are consistent with when the original survey work was undertaken and as such further surveys are not necessary.

I trust that the attached is of assistance, but if there are any further queries then please do let me know.

Thanks

Rob
