Dear Charlotte,

Further to your letter dated 13th January, please find attached the following requested information;

- Site Location plan which has been scaled to 1:1250;
- A plan demonstrating the camber of the bend; and
- Biodiversity Checklist.

With respect to the to the Biodiversity Checklist, there are no features of potential ecological importance on the section of the racecourse which is the subject of this application.

Although the cover letter states the application fee of £780.00 would be paid by cheque, in the end it was paid by PACS on 09.01.2017 (BIB Ref: 11223729401). Hopefully you should be able to trace this payment with this reference, however, if you require any further information with regards to this please let me know.

I trust the application can now be validated, however, please do not hesitate to contact me should you require any further information or have any queries.

Kind regards,

Sam Salt
