Simon,

Apologies for the slight delay in responding to you.

We're agreeable to the suggested extension of time. If there is opportunity to issue the decision in advance of this, that would be appreciated. I assume it will be a delegated approval?

Kind regards,

Dear Sam,

Thanks for your email.

I have 10 applications to write up before yours and so I will not make the 23rd March expiry. Can we agree an extension of say 2 weeks until the 31st March.

Re conditions, I won't be able to look at these until I have done the afore mentioned reports. However, I don't foresee the need to impose any other than standard time limit and plans conditions.

Kind Regards

Simon,

I understand the determination deadline for the application at Fontwell Park is 23rd March. Is it likely the decision will be made by this date?

Also, it would be useful to have sight of a set of draft conditions before the decision notice is issued.

The consultee responses available via the online public access raise no issues. Please advise should there be anything we need to address.

Please do not hesitate to call should you wish to discuss.
