Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development:	T1-T14 Silver Birches - Canopy reduction to 6-8m in width and 10-14m in height.
Location:	Land Between 8-10 Barnett Close Westergate Aldingbourne PO20 3UW

Thank you for your application which was received on 2nd February 2021. I am writing to acknowledge that it was accepted as a valid application on 7th April 2021. On receipt of this letter, if you have any concerns about the way that the Council has described your application you should contact the case officer: Zoe Toppin, who is dealing with your application.

The Council will publicise this application by means of a site notice on or near the application site and on our website. **The notice needs to be displayed until the date indicated on it for comments to be made by and for not less than 21 days.** After this period it can be removed. If there are any problems with regards to the site notice (e.g. vandalism), please contact the case officer.

Your application cannot be determined until the end of the statutory publicity and consultation periods which is 21st May 2021. You can follow how your application is progressing on the Council's website: https://www.arun.gov.uk/weekly-lists

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 2nd June 2021. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of Planning Committees.

If you have not received a decision by 2nd June 2021 or agreed in writing to extend the time in which the Council make a decision, you may appeal to the Secretary of State. Your appeal (under Regulation19 of the Town & Country Planning(Tree Preservation) (Englansd) Regulations 2012) would be that the

Council has failed to make a decision and you would be asking a Government Planning Inspector to make the decision instead. You can do this on a form which you can get from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or from the Planning Inspectorate: http://https://www.gov.uk/government/publications/tree-preservation-order-appeal-form/

If you allow the Council extra time to make a decision on your application, and you disagree with the decision, you will still be able to appeal within 28 days from the date the decision was issued.

Finally, can I remind you that it is a criminal offence to carry out, allow or authorise works to trees protected by a Tree Preservation Order without first having the Council's consent. Anyone found guilty of works that are likely to destroy a protected tree is liable, if convicted in the Magistrates' Court to a fine up to £20,000. In serious cases a person may be committed for trial in the Crown Court and if convicted, liable to an unlimited fine.

Please do not hesitate to contact the case officer on the above details if you have any questions or queries. If you made a paper application and did not provide an email address, please could you do so to enable us to contact you swiftly with any queries or issues.

Yours sincerely

Neil Crowther
Group Head of Planning

PLEASE NOTE: Essential IT work will be carried out during the week of 12 April 2021 and there will be no access to the planning records on the website. It will not be possible to follow the progress of an application, view any documents or make on line comments. To ensure that no one is disadvantaged the publicity period will be extended by a week on planning applications where the publicity period falls over this week. The site notices and documentation will quote the extended date if this is applicable.

All aspects of planning, building control and local land charges will be limited during this week. If you do need to contact the case officer during this week you will need to be able to provide the exact reference number and as much detail as possible. The service will be extremely limited and it would be best to contact us either before 12 April, or after, when the work is completed on 19 April 2021.
